## January: DURING the Disaster

What are you going to do when the **MARSHMALLOW MAN** (or Natural Disaster) hits your home?

### We should be prepared for WILDFIRES and EARTHQUAKES in SunCrest

Do YOU have a Family Plan once the Natural Disaster Hits?

1. **Family Assignments** – you should have a “point-person” and a backup person who leads the family plan. In addition, make assignments to members of the family in who is responsible for grabbing the water, 72 hour kits, documents, FRS radios and etc.
2. **Communications Plan** – Here are some outlets you can turn to for natural disaster updates:

- SunCrest 3rd:** Channel 11
- EagleCrest 1st:** Channel 12
- EagleCrest 2nd:** Channel 13
- EagleCrest 3rd:** Channel 8
- SunCrest Command Post:** Channel 14

3. **Disaster Supply Kit** – Here are some items you should consider having in addition to your 72-Hour kit:
  - a. Copies of personal documents:
    - i. Birth Certificates
    - ii. Social Security Cards
    - iii. Homeowner Policy # and contact information
    - iv. Deeds and Titles
    - v. Health Insurance Cards
  - b. Driver’s license
  - c. Family Contact information
    - i. Extra cash - \$200 in small bills and \$10 in change
  - d. Pictures of family members
  - e. Maps of the area and evacuation routes and written plan
  - f. Tool box
  - g. Pet items: leash, carrier, food, vaccinations records, medication
4. **Home Owners Insurance** – update coverage if needed and have videos and pictures of your home’s contents as proof for your insurance claims
