

Suncrest 1st Ward Mission Plan

Ward Mission Plan Purpose Statement

As members of the Suncrest 1st Ward, we will be actively engaged in daily missionary efforts to help the full-time missionaries find individuals and families to teach and invite to come unto Christ through baptism. In addition, we will love our neighbors and identify, fellowship, and pray for the unknown and less-involved families and individuals in our neighborhood.

Ward Mission Goals 2023

- (1) Pray daily to come into contact with those who are willing to let God prevail in their lives
- (2) Invite the full-time missionaries into our homes two times this calendar year to share a message
- (3) Help the full-time missionaries find, teach and baptize two converts
- (4) Fellowship, love and pray to help reactivate four less-involved members of our Ward
- (5) Actively invite and strive to have at least 2 non-member neighbors join us at any neighborhood or ward events
